

# **General Information/Rules**

- **Vehicle registration into competition: \$20/vehicle per class**
- **Spectator entry fee: \$7/person(\$2 off single day voucher available online) \$10 weekend pass**
- **Side by side racing up the face of Good Knight, Mellow Yellow and the FACE @ Schuss Mnt.**
- **Double elimination 1<sup>st</sup> round, single elimination remaining rounds**
- **Only ONE(1) driver per vehicle. No multiple driver vehicles allowed.**
- **Multiple VEHICLE entries will be allowed, but each vehicle MUST be registered in different classes if driven by same driver.(You may not run two different vehicles in the same class unless the second vehicle is entered with a separate driver.)**
- **Multiple TIRE CLASS entries will also be allowed. An entry fee must be paid for each tire class in which you wish to run the same vehicle.**
- **Registrants must have a VALID drivers license.**

## **Vehicle Classes [by tire]**

- **31" and down stock class\*(see limitations below)**
- **32" - 35"**
- **36" and up**
- **Must run DOT tires.**
- **Size determined by sidewall markings, not physical measurements.**
- **You can not "tire up" a class. 33's in the 36" class NOT allowed. Tires being run MUST match class**
- **Most vehicles will fit into one of these three categories**
- **Tire cutting/grooving. This will be allowed in these classes as long as the tire is DOT approved**

**\* 31" and down stock class: vehicles entered into this class will be limited to factory engine cylinder counts(#1) and manufacturer specific block(#2). Example#1: Wrangler YJITJs will be limited to 6 cyl engines, no V8s, because the largest engine they were available with was a 6 cyl. Example #2: CJ7I5 must be running an AMC block, not Chevy 350. Must also run some sort of exhaust muffler. All free flowing and "glasspack" style mufflers qualify**

## **Special Vehicle Classes**

- **Two classes available: ANY TIRE and SuperModified.**
- **Pretty much anything goes in these two classes.**
- **ANY TIRE- Any modifications, tuning, lift kits, tire size or make(including NON-DOT tires(e.g. tractor bars, paddles . . .) No aftermarket forced air induction or nitrous.**

- **SuperModified**- If you are running alcohol, nitrous, or any kind of aftermarket forced air induction system(supercharger, turbo charger) you **MUST** be entered into this class.
- **Non-DOT tires allowed.** If you chose to run **NON DOT** tires on your vehicle, regardless of what it is, you will be placed in the **SuperModified** class.

## **Safety Requirements**

- **DOT/SNELL** helmet required during comp.
- **Vehicle must have restraining devices(i.e. seatbelts, point harness)**
- **Battery hold down. NO BUNGEE CORDS.**
